Hypercritical Eyes!

...Thousands of them peering at you the instant your image flashes upon the screen! Cruelly, coldly... they scan your Make-up... criticize each detail of your characterization.

★ For this reason your make-up must be perfect! And the Max Factor Make-Up Studio is equipped to give you the perfection and exactitude demanded!

★ Available to members of the screen and stage profession, Max Factor Make-Up Service includes the creation of characterizations; the designing of Wigs, and expert advice on the correct type and use of Make-up.

QUEENIE SMITH

Queenie Smith draws a performance of such tremulous and shining quality . . . so taut with feeling . . . so right, true and meaningful . . . a performance of such tender humor and simple charm . . . she is worthy of a really fine play.

JOHN ANDERSON,
N. Y. Evening Journal.

She is an accomplished actress who brings to the legitimate theatre the same endearing abilities that distinguished her in musical comedy. A winning personality, . . . is pretty and intelligent, mixes pathos with her laughter and has a shrewd eye for characterizing details.

JOHN MASON BROWN,
N. Y. Post.

I am one of her droves of admirers. Enjoying everything she has done in the last few years; whether she ballet danced, did syncopated stepping, sang songs like a diseuse or acted. Because I have followed all her accomplishments, I enjoy the more her serious play-acting and concomitant versatility. Her artistic sincerity is so thorough that she can make a convincing widow, or a slavey, real, lovable and laughable.

BERNARD SOBEL,
N. Y. Mirror.
